Independent Auditor's Report

Report on Consolidated Financial Statements

We have audited the accompanying Consolidated financial statements of **BSEL INFRASTRUCTURE REALTY (FZE), SAIF Zone, Sharjah**, which comprise the Consolidated statement of financial position as at **31 March, 2022** and the Consolidated statement of Profit or Loss and other comprehensive income, Consolidated statement of changes in equity and Consolidated cash flow statement for the year ended and a summary of significant accounting policies and other explanatory notes.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance, whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the establishment's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the establishment's internal control. An audit also includes evaluating the appropriateness of accounting policies used and reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the Consolidated financial position of BSEL INFRASTRUCTURE REALTY (FZE), SAIF Zone, Sharjah, as of **31 March, 2022** and its Consolidated financial performance and its Consolidated cash flows statement for the year then ended in accordance with International Financial Reporting Standards.

3 Basis of preparation

a Statement of compliance

- i) The financial statements have been prepared in accordance with International Financial Reporting Standards (IFRS) and comply with the provisions of Sharjah Emiri decree No 2 of 1995; applicable to Sharjah Airport International Free Zone.
- ii) The financial statements of subsidiary companies are no longer a going concern as there is no realisable value of the assets.

b Basis of measurement

The Consolidated financial statements have been prepared under the historical cost convention basis.

The Consolidated financial statements have been presented in UAE Dirhams which is the functional currency of the establishment.

c Use of estimates and judgements

The preparation of the consolidated financial statements in conformity with IFRS requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an on going basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and in any future periods affected.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that may have a material effect on the amounts recognized in the financial statements are described as a separate note subsequently.

4 Significant accounting policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements, and have been applied consistently by the Establishment, except as explained in note 2, which addresses changes in accounting policies."

a) Property, plant and equipments

Property, plant and equipment are stated at cost less accumulated depreciation and identified impairment loss, if any. The costs comprises of purchase price, levies, duties and any directly attributable costs of bringing the asset for its intended use. The cost of property, plant and equipment is depreciated using the straight-line method over their estimated useful lives as follows:

	Years
Furniture and fixtures	2
Office equipments	2
Computer equipments	2
Motor vehicles	2

b) Inventories (WIP)

Inventories are measured at lower of cost and net realizable value. Using weighted average cost method. Cost of inventories comprise all costs of purchase, and where applicable costs of conversion and other costs that have been incurred in bringing the inventories to their present location and condition. Net realizable value represents the estimated selling price less all estimated costs to completion and estimated costs necessary to make the sale.

c) Debtors

Trade receivables are stated at cost, being the fair value less impairment allowances. Allowances for impairment of trade receivables is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of receivables. The amount of impairment is recognized in the profit & loss.

d) Employees' Terminal Benefits

Employees' terminal benefits are provided for as per SAIF Zone Regulations.

e) Recognition of Revenue

Sales represents reservation forms/memorandum of understanding/sale agreement prepared for sale of flats. Revenue are net of Sales less discounts and sales return.

f) Provisions

Provisions are recognized when the establishment has an obligation (legal or constructive) arising from past events and the costs to settle the obligation are both probable and reliably measured.

4 Significant accounting policies (continued)

i) Critical accounting estimates and judgments in applying accounting estimates

The Establishment makes estimates and assumption that effect the reported amounts of assets and liabilities with in the next financial year. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectation of future events that are believed to be reasonable under the circumstances.

Useful life and residual value of property, plant & equipment:

The Establishment reviews the useful life and residual value of property, plant and equipment at each reporting date to determine whether an adjustment to the useful and residual value is required. The useful life and residual value is estimated based on similar assets of the industry, and future economic benefit expectations of the management.

Impairment of Receivables

The Establishment reviews the carrying amounts of all receivables including due from related parties, at each reporting date to determine whether the receivables have been impaired. The Establishment identifies receivables, which have been impaired based on age analysis and direct contact with parties concerned. The recoverable amount is estimated based on the past experience and future estimated cash flows.
